

2011 CAMP EAGLE HILL BANKING FORM

please return this form with a check for your child's deposit into their "Spending Money" Account

Our campers typically go on day trips by division from camp during weeks two through five. We cover the cost of all trips from camp, all entrance fees or other costs associated with activities or events that are a part of camp trips. "Spending Money" provided to your child in advance of their stay at camp, will cover any souvenirs or refreshments that your child might buy when participating in our camp trips. Below you will find amounts of money listed for different age groups. We will be providing set amounts of money for all day trips (and the Teens three day trip) to each camper participating on these trips. For our oldest campers (Srs./CITs), larger amounts of money listed for all sessions are *suggested* and will allow us to provide "Spending Money" to this age group during their day trips and eight day extended trip.

Please make out checks to "Jesse Scherer" (this will keep us from having to deposit your check in our general Camp Eagle Hill business account) **and on the front of the check state that this is for your child's "Spending Money" account. We will make sure that the money gets into your child's account.**

"Spending Money Information"

1. Please do not send cash to camp with your child. We much prefer a check sent with this form in advance of camp.
2. The amounts listed below for all Juniors and Inters are required amounts of Spending Money. When going on trips, we will be providing each Junior and Inter camper with the same amount of Spending Money from their own individual account throughout the entire summer. Please do not send larger amounts of money for this age group. The same will be true for all Teen Campers during the month of July. All other money amounts will be "suggested" amounts and there will some variation of amounts of money that our oldest campers will make use of throughout the summer, especially during August and our extended trips.
